

Thoughts and Smiles – June 13, 2022

Dear Friend,

I don't need you at your best when you come to my home.

I don't care what you are wearing or what car you drove here.

I don't care if there is food on your shirt and your hair is full of knots.

None of that matters to me.

I care about you.

I care about what's in your heart, how afraid you are. What you worry about in the night.

I care about your deepest fears and your biggest dreams and I am there for it all.

If you mess up, I won't judge.

That's my promise to you.

So, don't cancel me because your house is a mess and your cupboards are bare.

I will bring what you need with pleasure and I will listen to your problems without measure or malice.

If you are on the floor, I'm picking you up, or I'm sitting down beside you.

You need never be alone down there.

And before I leave, I will have made you smile at least once.

That's my promise to you.

So, save your best for someone else my friend because I want you, just as you are.

That's what friends are for.

Imagine your prayer answered with God's blessing:

This is a joyful day, (____ *your name*) as you are blessed with spontaneous wisdom and perfect divine intelligence.

Wisdom and truth will flow with ease in your every spoken word, every action, and every choice this day. You sparkle and shine with illumination, divine intelligence, instant revelation, and unerring insight arising from a place beyond all ego and intellect. You have instant answers, absolute certainty, confidence, and perfect timing in all that unfolds from you and toward you.

I bless you with confidence and the faith to say yes to all opportunities that unfold before you this day. I bless you to see beyond appearances, hear beyond words, sense beyond the physical, and understand beyond your intellect the truth in all things this day.

You (____ *your name*) are the force of power and elegance behind all that moves into your path, as you command the moments unfolding before you to be in service to your divine Spirit's bidding. Those with whom you speak will honour and respect your words, as they will feel the holy force of Divine wisdom pouring forth from you. I bless you to flow easily and effortlessly toward your highest good without any hindrance from your ego or the world around throughout this day.

And so it is in my name, the Holy God who created you and loves you unconditionally; the love, light, and healing of the Christ; and the power of the Holy Spirit that lives and moves in your being. Amen.

And on the lighter side:

When you don't feel like turning to
your neighbor

Me: Thanks for watching the kids
Mom. Please don't feed them sugar.

Grandma: I won't!
