

People wonder why I give so many compliments out to strangers.

I'm not being fake and I'm not looking for people to like me.

But if I pass someone and I like something, I say it. "Love those shoes!" or

"Great hair!" or "Wow your eyes are beautiful!".... why?

Because life is hard and this world can be a sh*tty place, and people can be mean.

You never know how much those few words mean to someone, you never know what hell they may be going through; and when you put positivity out there into the universe YOU yourself become a happier person.

It's hard to be nice and be miserable yourself. It'll reflect from the inside out. I'm telling you giving a random compliment will change your

life; and maybe someone else's, too.

On a thoughtful theme...

THE VOICE

There is a voice inside of you
That whispers all day long,
"I feel that this is right for me,
I know that *this* is wrong."
No teacher, preacher, parent, friend
Or wise man can decide
What's right for you—just listen to
The voice that speaks inside.

And in silly mode...
