

Thoughts and Smiles – June 5, 2023

I can't wait to find that fellow one day to ask him how did that shake out for you because you were cussing the guy out with your friend. You've never been in a bible study you never got baptized, you didn't

know a thing about church membership and and yet and yet you made it.

"You made it. How did you make it?"

That's what the angel must have said.

You know, like, what are you doing here?

"Well I don't know!"

"What do you mean you don't know?"

"Well, like because I don't know!"

"Excuse me, let me get my supervisor."

"Are you clear on the doctrine of justification by faith?"

"I never heard of it in my life."

"And what about the doctrine of scripture?"

Immediately this guy's just staring.

And eventually, in frustration, the angle asks,

"On what basis are you here?"

and he said

"The man on the middle cross said I can come."

Tips from Grandma ❤️

Only go where you're invited.

Don't talk about what you don't know.

Don't open the fridge in other people's houses.

Don't call someone after nine o'clock at night.

Don't visit someone at lunch.

Don't enter other people's bedrooms without permission.

Always flush the toilet when you use it.

Always, always ~ speak the truth.

Please & Thank You are good words ~ use them often.

Love the soul of people, not their physical ~ it is what is inside that matters.

Be kind to your fellow humans & all living things.

Give from the little you have, and expect nothing in return.

Be conscious of your words ~ they matter!

Wake up & be grateful.

Pray daily because prayer brings peace to our heart & soul ❤️

“High sodium, high cholesterol, lots of toxins - your blood test is remarkably similar to a potato chip.”

“I'm just saying, studies show that owning a human can improve the quality of your life.”

***Have a terrific week!
Blessings to you all!***

When squirrels come across an especially spectacular nut, they'll often gather and stare in amazement... very similar to how they're looking at you right now.
